VOLUNTARY WORK

Vice Chairman / Askov Folk High School Student Association, Aug. 2022 – Present

Tutor / Aalborg University.
Sep. 2023 – Dec. 2023

PROFILE

My strength lies in speaking both “developer” and “user.” I specialize in bridging technology and people because the best solutions emerge when data meets human insight.

EDUCATION

BSc, Techno-Anthropology / Aalborg University (Copenhagen)
Sep. 2022 – Jun. 2025

- Graduated with a weighted GPA of 3.9 / 4.0 (Danish grade average: 11.3/12) and top grades in core project courses.
- Investigated implementation barriers for AI in radiology and designed infographics for the Radiological AI Test Center.
- Experience planning and leading large-scale events such as workshops, citizen summits, and consensus conferences.

Askov Folk High School / Film Production
Aug. 2021 – Dec. 2021

IBG / Democracy and Globalization
Aug. 2017 – Jun. 2020

EXPERIENCE

Co-founder / Nordic Mining
Feb. 2024 – Jul. 2025

- Developed a model assessing how flexible data centers contribute to green energy profitability and grid stability, in collaboration with the Danish Energy Agency.
- Startup accepted into the AAU Innovator Hub (incubator program).

Head of Technical support / Introtech Ventures
Sep. 2024 – Feb. 2024

- Provided strategic guidance and advice on growth plans to drive business expansion, assess the competitive landscape, and advise senior management on key initiatives.

Fundraiser / UNICEF (Nov. 2023 – Jan. 2024)

Substitute Teacher / Artium (Jan. 2022 – Jun. 2022)

Social Care Assistant / Brande Åbo (Jan. 2021 – Aug. 2021)
